

On behalf of the USATF New Jersey Association I would like to express our thanks and gratitude to our outgoing Managing Director, Pam Fales for ten years of dedicated service to the Association. When Pam started in 2003 USATFNJ was a very different place. Our Association had 3,581 individual members, 70 member organizations and we sanctioned 236 events. USATF New Jersey ended 2012 with 6,232 individual members, 102 member organizations and 395 sanctioned events.

Pam Fales receiving the President's award from USATF President, Stephanie Hightower at the 2012 USATF National Convention in Daytona Beach is just one symbol of the impact Pam has had in USATF from the Association level up to the National level. We have been able to expand and grow our programs over the last decade and it is our goal as an Association to find a new Managing Director that can build upon our success and the strong foundation that Pam has helped us build. Pam is leaving the Association in a much better place than when she started. I would like to wish Pam success in her new position.
